MCOT NEWS AND UPDATES

From the Chair

I would like to extend to everyone best wishes for the holiday season and wish you all a Happy and Prosperous New Year. To those of the Christian faith I wish you a very Merry and blessed Christmas. I am pleased to report that MCoT received funding last month from the Department of Premier and Cabinet for the amount of \$40,000.00 plus GST of \$4,000.00. Regrettably the quantum of funding continues to remain stagnant for the last 7 years.

Delegates from MCoT, including Erik Madsen, Mary Excell, Tiiu Rääbus, Ivan Matas and Alex Dziendziel, attended the TasCOSS organised *Our Island Our Voices* Multicultural Forum on 26th November 09.

- Some of the issues facing CALD communities are:
 - Social Inclusion – including access to interpreters
 - Aged Care – particularly the needs of the elderly from CALD communities who not only face the general issues concerning aging but also issues specific to those from a certain time, language, place and situation eg war.
 - Disability
 - Health, including Mental Health
 - Education, including the rights of overseas students
 - Employment
 - Transport

Racial Vilification and the need for Tasmanian laws to be introduced to re-enforce this

GENERAL NOTICES

Media Release; African Communities Council of Tasmania (ACCT)

12 African Community Groups form the African Communities Council of Tasmania

The African Communities of Tasmania would like to announce the formation of the first ever African Communities Council of Tasmania. The Council was formed at meetings on the 15th & 22nd of November with founding members representing a diverse range of national and ethnic groups from Botswana; Democratic Republic of Congo; Ethiopia; Liberia; Sierra Leone; with Somalia formerly admitted member on the second day; Sudan; and Zimbabwe.

African migrants have been coming to Australia since 1804, under forced migration arrangements from England. The late 1990's and 2000's have seen a significant increase in African migration to Australia, including humanitarian, economic migrants and students. There are now an estimated 3789 people of African birth proudly living in Tasmania, largely in Hobart and Launceston.

African Tasmanians are a diverse group – hailing from the length and breadth of Africa, with a multitude of different languages & cultures. Many have experienced challenges settling in Tasmania due to culture shock, language differences, climate, and loss of identity, family breakdowns, unemployment, poverty and welfare dependency.

In order to address these issues a constitution of the Council drafted by a steering committee for the ACCT came up with the following specific aims;

- i) To provide representation for member communities in Tasmania
- ii) Advocate for the wellbeing and positive settlement of members in areas of employment, health, education, housing and other key outcomes
- iii) To support member organizations develop strong associations
- iv) to promote cultural diversity, peace and harmony by providing opportunities for members and the wider community to celebrate their diverse cultures;
- v) to assist the social and cultural settlement of families and individuals of member communities in Tasmania

In order to carry out the aims of the Council an executive of the ACCT was elected and the members are Dr Jonathan Thabano as Chair (Botswana), Mr John Kamara as Vice-Chair (Sierra Leone), Mr Alain Mpoyi Tshamala as Treasurer (Congo), Mr Mark Odwogo as Secretary (Agola Kapuk, Sudan), Dr Crispin Marunda as Deputy Secretary (Zimbabwe), and Mr Mahmoud Kamara (Sierra-Leone) and Mr Alphose-Toussant Tshitenga Mulumba (Congo) as committee members. In order to provide better representation for the large African community other countries are encouraged to contact the Secretary on (markodwogo5005@yahoo.com.au) for procedures on how to join the Council.

Refugee Council of Australia – Hobart Café Conversation

The Refugee Council of Australia is conducting its annual national investigation into the future of Australia's refugee and humanitarian program.

In Hobart the Refugee Council will hold a Café Conversation for service providers and refugee community members. The session will explore a range of issues relating to the functioning of the program. We would also like to hear about positive community initiatives developed to address challenges confronting refugees establishing their new home in Australia.

This is an important opportunity to share your thoughts, suggestions and concerns about Australia's refugee and humanitarian program. Your feedback will contribute to our submission to the Minister and the Department of Immigration which will set out recommendations for the future direction of the program.

As refugees and people who work with refugees and humanitarian entrants, your participation will be invaluable. We need to hear your voices to help, us bring about positive change for the future.

Get involved in Our Island Our Voices: a new campaign for a fairer Tasmania www.ourisland.tascoss.org.au

The **Our Island Our Voices** campaign for a fairer Tasmania has begun and we need your help in getting Tasmanians to sign on!

Our Island Our Voices is about ensuring that all major political parties make clear commitments to health, education, and services in the lead up to the March 2010 State election. It is about advocating for a clear commitment from political parties to community service organisations.

You can help make the campaign a success by:

- logging on to the campaign website, joining-up and emailing the call to parties to Tasmania's major political parties and their candidates for the March 2010 State election.
- circulating this email to your colleagues, friends and family and encouraging them to support the push for a fairer Tasmania.
- organising your own pre-election events to promote the issues in the call to parties.
- putting a link to the campaign website on your own web homepage
- adding 'I support the Our Island Our Voices campaign for a fairer Tasmania (www.ourisland.tascoss.org.au)' to your email signature.
-

The campaign will only be successful if people sign on and get involved. It only takes 5 minutes to get started, so please join up and email all major political candidates asking them to tell you what they will do for a fairer Tasmania.

Please also circulate this email among your networks and urge as many people as possible to join the campaign for a fairer Tasmania.

If you have any questions about the **Our Island Our Voices** campaign, please contact Luke Martin at TasCOSS on 62310755.
